

SERVICES & SOLUTIONS

BOSTON

De Novo Legal is the premier provider of Global Legal Solutions. We are a worldwide provider of attorneys, project space, project management, e-Discovery, and foreign language translation services delivered with accurate, timely, and cost efficient results.

NEW YORK

What We Do

- Manage the identification and collection of paper and electronic evidence
- Filter and process the data by keyword and/or concept clustering to prepare for an efficient review
- Host the documents in one of our online review tools
- Conduct a complete attorney document review - 1st review including issue and privilege coding, quality control checks, and privilege logs
- Provide document review project space with the industry's largest national platform available today
- Provide Foreign Language solutions for review and translation
- Provide high level attorneys for substantive legal work on contract or direct hire

WASHINGTON, D.C.

ATLANTA

HOUSTON

Experience

- Over ten years of experience in providing legal solutions
- We have operated some of the largest matters in e-Discovery history
- We have the people and global infrastructure capable of handling any size project

DALLAS

Single Point of Accountability

- One project management team throughout the entire project lifecycle
- No handoffs or miscommunication
- Predictable budget numbers established at the beginning of the matter or flat fee pricing depending upon the project
- High quality and cost effective results are achieved by working with a single provider
