### **De Novo Legal Chooses Relativity For Document Review**

Relativity Provides De Novo Legal with a Flexible, Easy-to-Use Platform for Efficient Large-Scale Contract Review

New York, NY – January 31, 2008 – De Novo Legal, the premier Integrated E-Discovery solutions provider to law firms and corporate legal departments today announced its partnership with kCura. As a Premium Hosting Partner, De Novo Legal now offers kCura's web-based litigation support platform, Relativity, to all of its clients.

"Part of our mission at De Novo Legal is to provide our clients with innovative solutions," said Managing Director, Michael McDonald. "We feel Relativity allows us to do just that. Through superior technology and clever design, Relativity allows us to bring efficiencies to the review process through an intuitive, easy-to-use platform."

De Novo Legal has long been a top provider of Document Review outsourcing solutions to the legal industry. De Novo Legal has, by far, the largest network of dedicated Document Review project facilities in North America; more than any other organization. Through servicing a sophisticated and loyal customer base, which makes up some of the country's top law firms and corporate legal departments, De Novo Legal made the strategic decision to extend their service offerings to electronic data processing and hosting.

"De Novo has a reputation for excellence in providing document review solutions. We intend to extend that reputation into Electronic Data Discovery processing and hosting," said Managing Director, Michael McDonald of De Novo Legal. "We are doing so with a state-of-the-art data center, proven discovery management best practices, and applying innovative technologies to substantially reduce the amount of time required to review electronic document collections. We are excited about what kCura is doing, and how Relativity is going to help us achieve our goals."

"De Novo Legal has an experienced leadership team with a track record of incorporating leading-edge technologies into best practices for review," said kCura CEO, Andrew Sieja. "We are thrilled to be a partner in bringing a world-class document review solution to their clients."
